

Suzuki Violin

2008 - 2009

Give your child the opportunity to discover the violin through the Suzuki method of music education. Much more than teaching a child an instrument, this philosophy encourages a supportive environment from teachers and parents. It seeks to nurture the whole child and develops confidence, self-esteem, determination, self-discipline, and life-long enjoyment of music. It is strongly recommended that parents of students **age 3 and older** attend the private lessons for the method to work successfully. Involvement at home is essential for student progress! Observation of lessons is welcome anytime

Our Suzuki violin instructor, **Mrs. Cheri Beckerman** will teach two lessons per week: one private and one group class. She has extensive Suzuki training and musical experience. Private lessons are held during and after school hours. Group lessons will be during school hours. Both will begin the **1st week in September**.

Monthly tuition for returning students is \$100 (30 minute lessons) or \$115 (45 minute lessons) and \$90 for new students (20 minute lessons). Tuition is due at the first lesson of each month. A late fee of \$5 will be added after the first lesson. There will be one make-up day assigned each semester. The registration fee for new students is \$45 (which includes two books, a tape and MTSA membership). The registration fee for returning students is \$30 (including the MTSA membership).

MTSA (Middle Tennessee Suzuki Association) is a group of parents and teachers of students who study musical instruments using the Suzuki method. Membership entitles the students to participate in performance events throughout the year and also includes a newsletter.

To enroll your child, please complete this form and return it with your check for the first month's tuition and registration fee made payable to Cheri Beckerman. You may contact Mrs. Beckerman at 482-6580 or email cheridrummond@comcast.net.
