

ADMISSIONS INFORMATION 2024 - 2025

Our Mission is educating and inspiring life-long learners.

Montessori Academy is one of the leading Montessori schools in the nation, providing a quality education and an authentic Montessori environment. Accreditation with the American Montessori Society (AMS), Cognia (formerly SACS CASI) and the International Montessori Council (IMC) is a high priority. With 1,100 member schools, AMS includes 217 schools that are fully accredited, approximately 29 of these schools are also accredited by Cognia. Montessori Academy is the only Montessori school in Middle Tennessee (and one of only two in the state) that is accredited by AMS and Cognia.

Our historical roots began at the first Montessori school in Nashville, when our founder, Mrs. Eileen Bernstorf, assisted a neighbor in starting Montessori Centre in 1967. In 1985, she began Montessori Academy on the current 24-acre wooded campus. The first of five buildings was completed in 1986 and now with over 50,000 square feet under roof, Montessori Academy offers an excellent educational experience for Toddler (18 months - 36 months), Primary (ages 3-6), Elementary (levels 1-6), and Middle/High School (levels 7-12). Montessori Academy is a not-for-profit corporation.

“It is true that we cannot make a genius. We can only give to each child the chance to fulfill his potential possibilities.” - Maria Montessori

Our educators are dedicated to honoring the child's physical, mental, spiritual, and academic development and implement Montessori pedagogy. The focus on executive functions are a natural outcome of Dr. Montessori's philosophy and passion for precision, love of order, pride in accomplishment, and respect. Teachers strive to incorporate these critical skills into each child's daily activities to become the foundation for successful living. Additionally, Montessori Academy provides students with a strong sense of belonging in a safe and protected community.

Thank you for your interest in Montessori Academy. To apply, please follow the instructions listed on the following pages.

Application & Enrollment Procedures

A [Campus Tour](#) by parents is often the first step of the [Admission Process](#). Application may be made by submitting a completed application form and the application fee using our online portal. Each age level has the following specific requirements before a student may enroll:

[Toddler & Primary Programs](#) - Parents must complete an application and questionnaire. Your child will then be placed in our wait pool. Because we seek balanced classrooms in both age and gender, we have a "wait pool" rather than a conventional wait list. When a possible space opens for your child, an interview and classroom visit will be scheduled, and the parents will be interviewed by an administrator. If the classroom interview goes well and the administrator decides that the family is a good fit for Montessori Academy, parents will be notified by email of acceptance. Payment of the registration fee at that time will reserve your child's space. Parents must submit the Tennessee School Immunization Certificate, which may be obtained from your pediatrician.

[Elementary / Middle / High School](#) - Parents must complete an application and questionnaire. A two-day interview/visit for your child in the classroom will be scheduled. On the close of the second day of your child's visit, an administrator will speak with the parents at 3:15 p.m. in the office. Final acceptance is contingent upon evaluations of: (1) a successful interview and visit, (2) the candidate's transcripts, and (3) the assessment forms completed by former teachers. Parents must submit the Tennessee School Immunization Certificate, which may be obtained from your pediatrician.

Fees & Commitments

[Application Fee -- \\$125](#)
